These benchtops can be used for a variety of applications, perhaps you are looking to revamp your tried vanity top, or are getting a custom vanity made up, the possibilities are endless.

This range of benchtops are also compatible with our Teseller Modular Cabinets, why not create your own custom vanity to match this benchtop?

The benchtops have no basin or tap holes drilled, this way you are able to customise it however you wish. You can have two basins or one, wall taps or bench taps. Keep in mind you will need to add the holes as required depending on your application.

The selection includes solid quartz stone top options and solid timber top options. Choose a solid timber top for pure indulgence with its personality and warmth, the hardwood is coated with a satin finish to accentuate the wood grain whilst also sealing it to provide some protection. Choose quartz for its unrivaled durability and abundant colour options.

Samples shown may vary from the actual product as each unit will have its own natural characteristics. Natural variations must be expected in timber. Please also note that your monitor may display colour differently. There are no holes predrilled in the benchtop for greater installation flexibility.
