Upgrade your bathroom with our 900mm Stratford wall hung fluted vanity in a premium ash finish. Our stratford bathroom vanity range has been designed to bring a new style of luxury without compromising on storage for your bathroom space. Featuring a unique panelling façade on the exterior draw face in a square design, these groove vanities are sure to make a statement in your

home. The 900mm fluted vanities are perfect for ensuites or main bathroom areas as they feature a wall hung installation that maximises floor area for a spacious and high end feel. The Stratford bathroom vanity range includes an undermounted basin that places under high quality stone tops.

With two pull to open drawers on the main draw face, no space is wasted in this fluted vanity that will assist with your everyday bathroom routine. Constructed in moisture resistant plywood then veneered with natural ash, bringing a calming and opulent style to your home.

*\*Please note that stone and timber samples may differ from the actual product due to natural variations and batch differences. Colours displayed online may appear different due to screen settings. Standard stone and timber benchtops are supplied without holes, allowing for installation flexibility unless you choose to add tap and waste hole options to your order when selecting your benchtop.\*\* For ceramic products, specifications must allow +/- 10 mm tolerance for manufacturing variance, it is recommended to use measurements of the actual product received.*

*\*\*This hole cutting service is exclusively available with Fontaine's benchtop products only. If your benchtop is in stock, the lead time for this service is 5 business days, please add an additional 5 business days to the estimated arrival date (ETA) for out of stock products. We will provide general recommendations for standard tap hole and waste positions to ensure compatibility with your vanity. Custom positions can be accommodated; however, please be aware that the buyer will be responsible for any discrepancies, as Fontaine cannot be held liable for issues arising from custom placements. A template will be provided for your approval before we proceed with the hole cutting process. Once approved, the cutting positions will be final. This service is classified as a special order, Fontaine cannot accept returns or refunds for any benchtop services or products once the templates have been approved and signed off.*
