The Darwin semi recessed basin is a modern and contemporary option for your bathroom. With its sleek and clean lines enhanced by its geometric essence, this basin is given an extra edge with the semi recessed feature. This design allows you to have the best of both worlds, with the depth of a recessed and the presence of an above counter.

Tap, waste and overflow are sold separately but can be purchased in our store alongside other bathroom products.

*\*Please note that for ceramic products, specifications must allow +/- 10 mm tolerance for manufacturing variance, it is recommended to use measurements of the actual product received. Colours displayed online may appear different due to screen settings.*
