This tile insert floor waste has a 100mm outlet, it's great for showers as it provides quick flow drainage due to its large water drain outlet. This floor waste is made from brass for durability and corrosion resistance.

Not only is this bermuda style waste a stylish addition to your bathroom, but it also offers excellent drainage for managing overflow water. Installed with the correct fall, this can make wet areas around your home safer and easier to maintain. Additionally, this shower grate comes fitted with a removable grate to allow for easy cleaning & maintenance.

IMPORTANT: Product design specifications are subject to change without notice and may vary from those shown.
