Get the latest frameless look for your new shower room by installing your shower screen directly onto the tiled floor, leaving your room feeling more open and appearing more spacious. Made from 10mm toughened glass your shower not only has a clean finish that is easy to clean, but this set comes with seals designed to make the shower screen watertight. The discreet door handle provides all the functionality and elegance desired. The actual installed size of this product is 900x900mm typically used for installation without a shower base (instead of a smaller shower screen to fit a 900x900mm base).

Additionally, your shower experience just became incredibly easier with this nano coating shower. This technology is specifically engineered to self-clean. Its coating creates a bond that is long lasting and does wonders to your cleaning and overall shower experience as it not only repels water but prevents the build up of soap scum, dirt and more!
