The Aniston ceramic basin is under mounted, which neatly tucks under the stone counter top. This basin features a sleek design and functionality in mind. This basin has capacity for family sized bathrooms and also maximises bench space or show off your stone benchtop with this under counter basin. This basin will become a stand out item in your bathroom renovation.

The basins need to be mounted to the stone top as part of installation.

**Please note that for ceramic products, specifications must allow +/- 10 mm tolerance for manufacturing variance, it is recommended to use measurements of the actual product received. Colours displayed online may appear different due to screen settings.*
