The Missouri is a stylish and impressive toilet suite, featuring a streamlined design and gloss white finish. It features a unique rimless design with a high end Geberit flush system for an easier to clean toilet. At the convenience and simplicity of no rim, the rimless toilet makes for a significantly easier clean. With a direct flush technique, the flush washes the entire pan more efficiently stopping the build-up of grime, bacteria and limescale that would be found in toilets with a rim.

P Trap - 180mm

S Trap - 90-200mm range P to S Trap converter (included)

See item image for specification information

* inwall cisterns, valves, seats, button assembly, links, flush pipes and other internal components which carry a 3 year replacement warranty.

*Please note that for ceramic products, specifications must allow +/- 10 mm tolerance for manufacturing variance, it is recommended to use measurements of the actual product received. Colours displayed online may appear different due to screen settings.

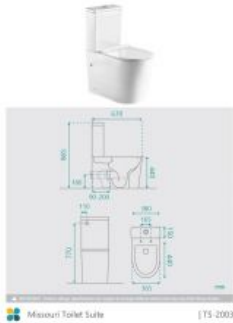

<p>Hygienic Rimless toilets allow for a superior flush as the strong jet of water flows directly into the bowl, creating a strong suction that removes all waste.</p>	<p>Quality Fixing The inner surface of the toilet pan is perfectly glazed, allowing for easy cleaning and preventing any staining or discoloration.</p>
<p>Soft Close A soft close seat rail allows the seat to close smoothly, preventing any damage to the toilet or the seat.</p>	<p>User Friendly Designed with extra release systems that allow the seat to be easily lifted from the bottom of the bowl.</p>
<p>Easy To Clean The high-gloss finish has been specifically formulated to resist dirt, stains, mould & odours. The smooth surface makes it easy to clean, ensuring a pristine looking toilet that lasts for years.</p>	<p>Water Efficient The triple and double dual flush system allows you to adjust the amount of water used per flush, helping to reduce water usage while providing efficient flushing.</p>

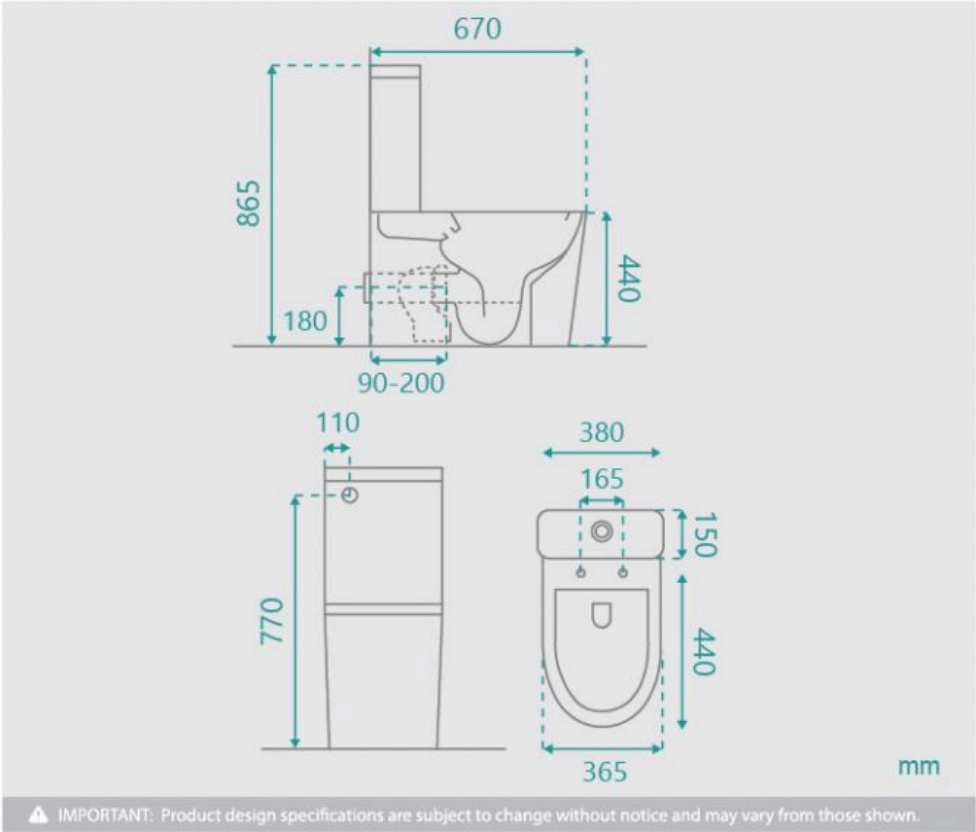

The more stars the more water efficient
