The Indiana back to wall is a stylish and impressive toilet suite, featuring a streamlined, rimless design and gloss white finish. An amazing value for money, this Indiana toilet has the convenience and simplicity of no rim. The rimless toilet makes for a significantly easier clean. With a direct flush technique, the flush washes the entire pan more efficiently stopping the build-up of grime, bacteria and limescale that would be found in toilets with a rim. Its design is unique and an additional statement piece for your bathroom.

*\*Please note that for ceramic products, specifications must allow +/- 10 mm tolerance for manufacturing variance, it is recommended to use measurements of the actual product received. Colours displayed online may appear different due to screen settings.*

<p><b>Hygiene</b> Rimless toilet allows a superior flush as the strong jet of water goes directly to the bottom edge of the bowl, reducing splashing of germs &amp; bacteria.</p>	<p><b>Quality Flushing</b> The inner surface of the toilet pan is completely polished with ultra-fine glass flitters &amp; reduces turbulence caused by turbulence of germs.</p>
<p><b>Soft Close</b> A soft close seat rail allows the seat to close smoothly when pressure is applied, the seat will not slam the floor, saving the colour and the seat &amp; cover saving.</p>	<p><b>User Friendly</b> Equipped with dual release system that allows the seat to be raised from the front or the side, making it easier to use.</p>
<p><b>Easy To Clean</b> The high-gloss finish has been specifically formulated to resist dirt, dirt, stains, mould &amp; odours. The smooth surface is easy to clean ensuring a pristine looking toilet that never gets old.</p>	<p><b>Water Efficient</b> The triple and double dual flush system also allows you to control the amount of water required per flush. It helps reduce water wastage while providing efficient washdown.</p>

The more stars the more water efficient
