The Missouri wall hung toilet suite is designed so that the cistern is installed inside the wall, it will give your new bathroom the ultimate modern finish. It's concealed cistern gives you that streamlined look as it leaves you with an uninterrupted view of the room, maximizing the space left in the room and exerting luxurious ambiance. With a premium gloss white finish, it is an elegant yet contemporary piece that levels up the sophistication and luxuriousness of your bathroom.

This complete set includes a unique rimless design with a better flush system for an easier to clean toilet. The easy release seat & lid means you can easily remove the seat and lid at a press of a button for easier cleaning, the hardened material is of superior quality for durability and comfort. At the convenience and simplicity of no rim, the rimless toilet makes for a significantly easier clean. With a direct flush technique, the flush washes the entire pan more efficiently stopping the build-up of grime, bacteria and limescale that would be found in toilets with a rim.

P Trap – 180mm
