The Frederick wall mounted vanity range embodies modern and streamlined vanity design perfectly suited for the bathrooms of the everyday Australian home. The superior matte white cabinetry is formed with chic 45 mitre edging and adds a breath of lightness against the Nebraska Oak melamine timber finish on the vanity drawers. The Frederick vanity unit personifies a high-end designer impact at an affordable price point and includes a quartz stone top. It is paired with a contemporary and sleek matte white Kendall basin which adds an additional streamlined element to the floating vanity.

Tap and waste fittings shown in the photos are for illustration purposes only and are sold separately, add them to your order to complete your look.

The stone top samples shown may vary from the actual product as each will have its own natural characteristics. Please also note that your monitor may display colour differently. Natural variations must be expected..
