The Atherton wall mounted ceramic basin is a classic and minimal piece to add to your bathrooms. Its simple design will pair well in smaller areas such as a restroom, ensuite or toilet. Its compact nature allows it to be a practical addition to your space.

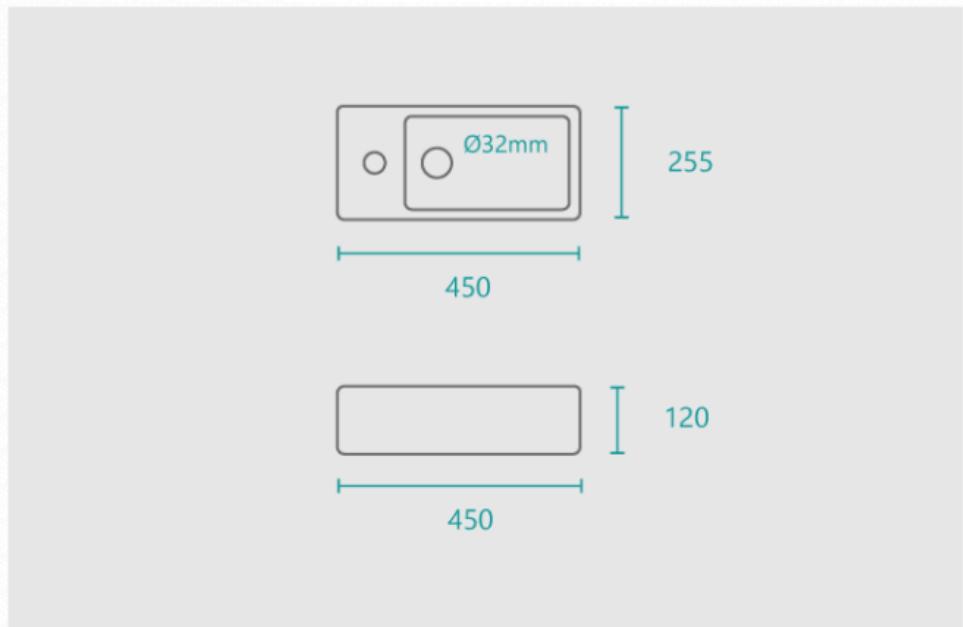

Tap and waste are sold separately, view recommendations when you add this item to your cart.

NOTE: This basin is a right hand side (LHS), meaning your mixer must be installed on the left.

***Please note that for ceramic products, specifications must allow +/- 10 mm tolerance for manufacturing variance, it is recommended to use measurements of the actual product received. Colours displayed online may appear different due to screen settings.**
