The Aerinsea traditional style vanity is a breath of fresh air and is available in sizes 1500mm or 900mm. The range is a relaxed and modern take on a shaker door vanity, perfect to fit your character bathroom or home. Compatible with any traditional design, such as country or even a heritage style design, this beautiful transitional vanity is befitting. Featuring real Carrara Marble stone top, expertly crafted to include the marble splashback as seen in the photos to create a put-together polished look. The ceramic basins sit nestled under the stone benchtop to create the ultimate in style and functionality. This sturdy solid timber cabinet is finished with a matte white exterior to allow it to seamlessly find its home in your design. The drawers are constructed in wood and feature dovetail joinery showcasing the extraordinary workmanship to create this deluxe range of classic style vanity.

The set does not include the mirror cabinet, if you are looking for the complete set including the mirror cabinets, please add it to your cart for checkout. Tap and waste fittings shown in the photos are for illustration purposes only and are sold separately, add them to your order to complete your look.

*The stone sample images shown may vary from the actual product as each will have its own natural characteristics. Please also note that your monitor may display colour differently. Natural variations must be expected in natural stone including colour, pattern, fissures and other differences in the stone surface texture.*
