We are excited to bring to you the ever popular Kendall basin in a smooth matte marbelised finish. This marble print basin will give you the elegance and appearance of a real stone basin look but without the ongoing special care and maintenance required with real stone. The marble print is delicate and gorgeous, just enough to finish off your bathroom vanity in class.

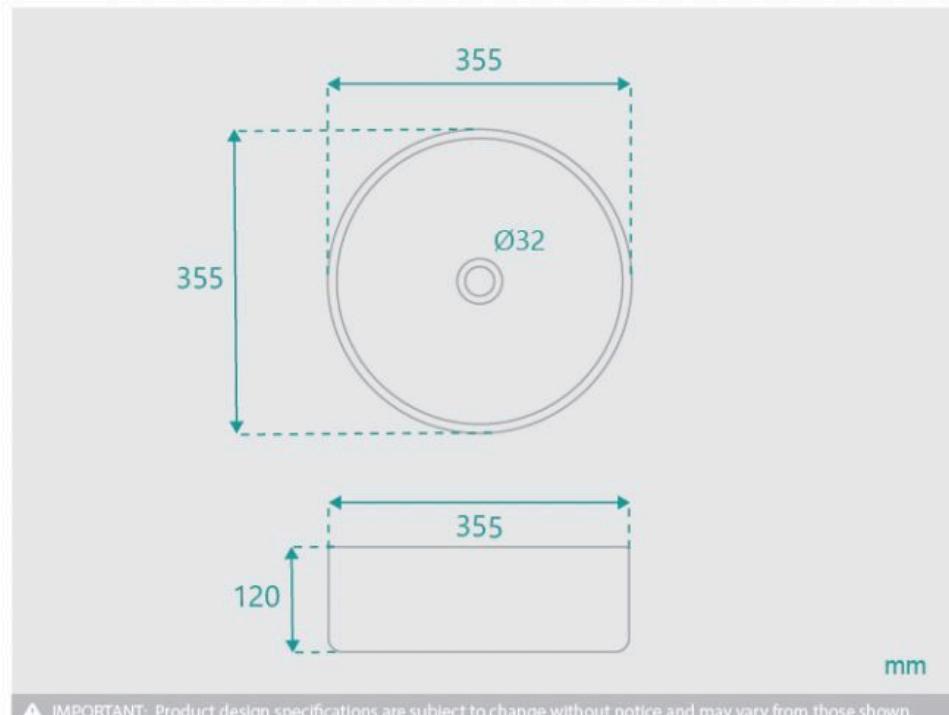

The basin shape deceptively petite, the round design has a flat base, maximising the water it holds. The thin profile adds to the delicate shape, for a beautiful and luxurious bathroom basin.

TIP: Why not buy 2 basins and make your bathroom comfortable for you both in the morning? Create the "his & hers" luxury look for less.

Waste and tap not included but can be purchased in our store alongside other bathroom products.

**Please note that for ceramic products, specifications must allow +/- 10 mm tolerance for manufacturing variance, it is recommended to use measurements of the actual product received. Colours displayed online may appear different due to screen settings.*
