For a modern and practical solution to solve all your freestanding bathtub dilemmas, you need look no further than the Harper 1700 Back to Corner Bathtub. Designed to be installed flush up against the wall and nestled into your bathroom corner, this corner bath will ensure you have maximum room left in your bathroom and yet still benefit from the desirable look of a freestanding bath. The curvy and timeless design of the Harper Bathtub is an all-time proven favourite as it appeals to everyone. This innovative corner design translates to easy installation, less surface areas to clean and no places for dust to collect, and as a bonus the corner provide a space to store soaps, bathroom essentials or bathroom decor.
