The Hawking wall mounted ceramic basin is a sleek and stylish piece to add to your bathroom. Its clean and modern design will easily pair with your bathroom design. This all in one basin features an off set basin to the left which allows for a benchtop also, which is great for storing essentials or decor. Its compact nature allows it to be a practical addition to your space. The unique overflow outlet makes this basin look and feel expensive.

Tap and waste are sold separately, view recommendations when you add this item to your cart.

NOTE: This basin is a left hand side (LHS), meaning your mixer must be installed on the left.

**Please note that for ceramic products, specifications must allow +/- 10 mm tolerance for manufacturing variance, it is recommended to use measurements of the actual product received. Colours displayed online may appear different due to screen settings.*
