This 90cm or 900mm digital oven features the Salini streamlined signature look, and an extra wide cooking cavity and capacity. Sure to impress your dinner guests, this wide oven will have you inspired to cook up a feast. With stylish black glass and window, this elegant built in oven has a white LED display. Comprising of 10 different functions, the digital oven has conventional and fan forced settings, as well as defrost and grill.

The digital minute minder allows you to set the duration of your cooking time, or program in the time you require the oven to turn off. The cooling fan assists the oven in cooling down quickly and the triple glazed door is designed to help retain the heat during cooking as well as reducing the risk of burns and injuries.
