SKU#: LFKMILDAW0.5

\$40.37

Use: Removing mould and mildew

Suitable For: Ceramic, porcelain, grout, plastic, stone and masonry

Size: 500ml

Lithofin KF Mildew-Away is a ready-to-use special cleaner based on active chlorine compounds with a wide range of cleaning and disinfecting properties. This product removes black mould and mildew spots as well as discolouration caused by plants. The product works quickly and efficiently, and through its preventive properties inhibits further growth for a long time.

Features:

- Easy and safe to use
- Acts rapidly
- Contains chlorine
