

Lithofin Vitra-Clean 1 litre

SKU#: LFKVITCLN01

\$39.27

Use: Everyday maintenance cleaning

Suitable For: Porcelain and ceramic tiles

Size: 1 Litre

Lithofin KF VitraClean is a mildly alkaline maintenance product formulated for every-day floor cleaning. This high-yielding concentrate is added to the wash water, and it cleans and maintains in one simple operation. Selected raw materials ensure an optimum, streak-free cleaning effect without building up layers. Surfaces become more attractive and less sensitive with continued use.

Features:

- Concentrate - very high yield
- Free of wax
- Mildly alkaline
- Does not form layers
