

Lithofin Polish Cream 150ml

SKU#: LFMPOLCRM150

\$24.70

Use: Premium polish cream for brilliant shine and protection
Suitable For: Marble, natural stone and granite
Size: 150ml

Lithofin MN Polish Cream is a care product which penetrates into the surface of the stone and enhances the colour structure. With regular use, the surface can be polished to a high gloss. Surfaces become less sensitive to staining, scratches and similar blemishes. Used regularly, Lithofin MN Polish Cream is the optimal care treatment for marble, granite and other natural stones.

Features:

- Easy to polish
- Contains solvents, CHC-free
- For indoor use only
