Our Kitchen Sink Waste is available in various colours, gold, black, gunmetal, brush nickel, and chrome. Match your kitchen sink waste to your tap and sink.

The Kitchen Sink Waste is a convenient all in one plug and food waste catcher! It features a sleek and timeless design, making this accessory a must have for any sophisticated kitchen.

You push down to plug and simply lift the strainer out of the sink and empty food waste into your bin or compost instead of letting it wash down the drain and cause blockages.
