The Stonehenge vanity unit is not only unique and charming in design but has an abundance of storage space with its deep drawers. Featuring a solid benchtop in a range of finishes and offering a generous amount of benchtop space for your everyday bathroom needs. Its true beauty lies with the delicately shaped above counter ceramic basin. The cabinet has two soft closing drawers, and still has required plumbing space behind for easy installation. Tap and waste fittings shown in the photos are for illustration purposes only and are sold separately, add them to your order to complete your look.

**Please note that stone and timber samples may differ from the actual product due to natural variations and batch differences. Colours displayed online may appear different due to screen settings. Standard stone and timber benchtops are supplied without holes, allowing for installation flexibility. Custom stone benchtop orders will be dispatched within 15 business days.*
