The Palazzo vanity is a modern and stylish unit that not only makes a statement but provides excellent storage space. With two soft closing drawers and a large basin, this vanity unit will suit a smaller bathroom or ensuite. If you're renovating an ensuite and main bathroom, take a look at the larger Palazzo units, available in 1500 wall hung or 1500 freestanding.

Tap and waste fittings shown in the photos are for illustration purposes only and are sold separately, add them to your order to complete your look.

The stone/timber top samples shown may vary from the actual product as each will have its own natural characteristics. Please also note that your monitor may display colour differently. Natural variations must be expected in timber. No holes are drilled in timber tops for greater installation flexibility. Stone top upgrades will be available for dispatch within 15 business days.
