****Selecting different options may change these dimensions, please refer to the specification images.***

The Chadwick vanity unit is a modern & balanced wall mounted vanity unit. Featuring a White Pepper stone top for that monochrome charm. Ample bench space. The cabinet has two working soft closing drawers, and still has required plumbing space behind for easy installation. Top drawer has a U shape cut-out, and the bottom drawer is a full size drawer. Tap and waste fittings shown in the photos are for illustration purposes only and are sold separately, add them to your order to complete your look.

The stone/timber top samples shown may vary from the actual product as each will have its own natural characteristics. Please also note that your monitor may display colour differently. Natural variations must be expected in timber. No holes are drilled in timber tops for greater installation flexibility. Stone top upgrades will be available for dispatch within 15 business days.
