The Wall Panel Corner Trims assist you to create a full wall of protective lining for your shower. Easy and flexible to install, these trims can be paired with the Shower Wall Panels in either 900mm or 1200mm to achieve a tight waterproof fit and a seamless look. A full wall of shower panels make it easier to clean and maintain than a traditional tile wall. Cleaning becomes a breeze with no grout lines that can catch soap residue or chip away in time.
