This very elegant unit will add a touch of class to your bathroom, the type you would expect in a 5 star hotel, but at the comfort of your own home. The flexibility to change the water flow from the overhead to the handheld is as easy as adjusting the inbuilt diverter. To conveniently position the handheld showerhead to your preferred height, the handheld showerhead holder slides up and down.

Match with the mixer of your choice see our store for option.

See listing image for measurement specification.
