Enhance your bathroom safety and convenience with our new stainless steel L grab rail.

A great option for your NDIS bathroom, this shower L grab bar is perfect for bathroom areas that need to provide extra assistance and support in wet environments.

The Ambulant 90 Degree grab rail offers an excellent support solution for shower or bath areas, and can secure up to 150kg of weight.

Our Fontaine Industries grab rail can be installed in your bathroom space for a left or right angle use.

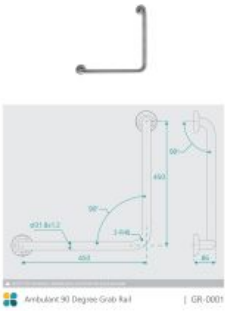

The Ambulant 90 Degree Grab Rail can be installed in accordance with the AS1428.1 guidelines around the home in areas around stair cases for support.

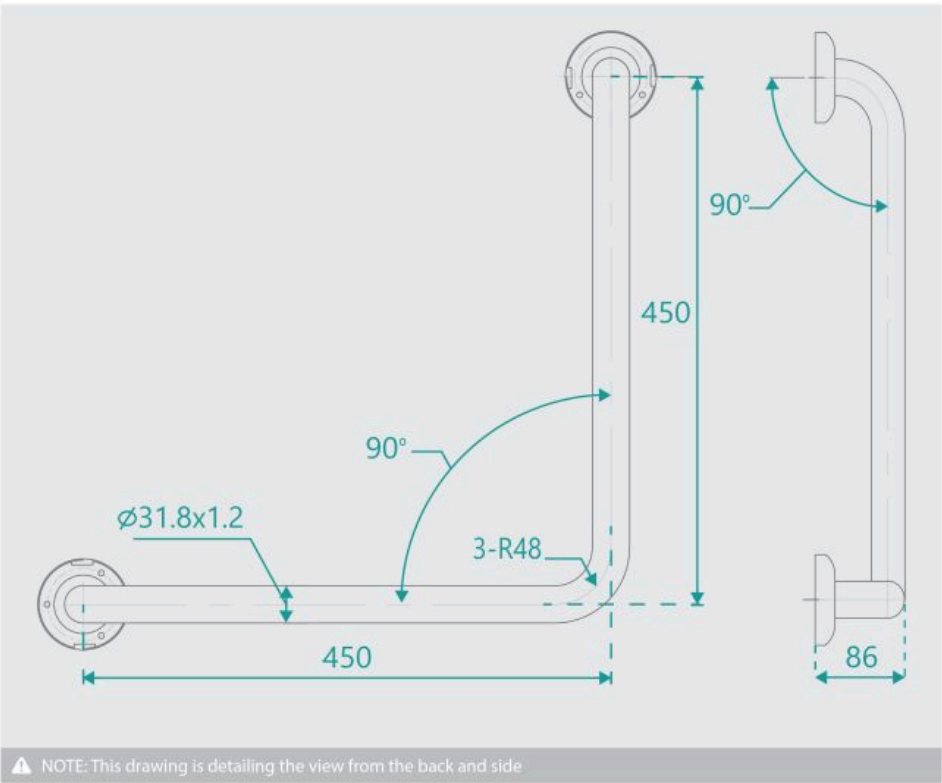

The multifunctional stainless steel design has been created to suit most bathroom designs featuring a satin finish and ergonomic grip.

The L shape grab rail features a round tube with an ergonomic diameter, ensuring a secure grip and ample hand clearance between the rail and the wall.

Wall mount screws and brackets included.
