The Palazzo vanity is a large freestanding vanity suitable for the most pristine bathrooms - not afraid to command, this unit is taller than the average 900mm freestanding vanity. The very sleek cabinet design features three self closing drawers, the finger pulls on the drawers allow for a sleek no handle look for the ultimate in modern styling. Tap and waste fittings shown in the photos are for illustration purposes only and are sold separately, add them to your order to complete the look of your 900mm freestanding vanity.

The stone/timber top samples shown may vary from the actual product as each will have its own natural characteristics. Please also note that your monitor may display colour differently. Natural variations must be expected in timber. No holes are drilled in timber tops for greater installation flexibility. Stone top upgrades will be available for dispatch within 15 business days.
