Create space in your bathroom with our latest fluted range available in a back to left corner design.

Our fluted back to left corner bathtub in 1500mm presents a unique groove texture pattern and round shape.

Made from sanitary grade acrylic with solid fiberglass reinforcement, these bathtubs are designed to be easy to clean as they are mostly nestled to one corner of your bathroom.

The Harper fluted back to left corner bathtub is a versatile design, created to be a visual statement piece for your desired bathroom area.

Featuring a high white gloss finish, this distinctive vertical ribbed pattern is designed to add style to your bathroom space and compliment your overall bathroom aesthetic.

Our extensive catalogue of bathtubs feature freestanding, back to wall and corner bath designs.

View our range of baths available in 1500mm, 1700mm in a white high gloss or matte white finish.

Discover our range of fluted basins and freestanding tapware or wall mounted tapware to complete your bathroom look.
