Get the latest frameless look for your new shower room by installing your shower screen directly onto the tiled floor, leaving your room feeling more open and appearing more spacious. Made from 10mm toughened glass your shower not only has a clean finish that is easy to clean, but this set comes with seals designed to make the shower screen watertight. The discreet door handle provides all the functionality and elegance desired. The actual installed size of this product is 900x900mm typically used for installation without a shower base (instead of a a smaller shower screen to fit a 900x900mm base)- see our other listing for this model that can be installed onto a shower base. Purchase tapware and accessories in store to complete your look.

Shower fittings shown in the photos are for illustration purposes only and are sold separately, add them to your order to complete your look.
