The in-wall or concealed cistern Missouri suite is the most premium in the Missouri range, and will result in the most superior high-end look once installed. The hidden flush creates an uncluttered, hotel like luxury that can also make the space feel bigger. The in wall cistern is available in various button options to perfectly match with the rest of your bathroom design.

Featuring a streamlined design, matte white finish and a pan that is floor standing. At the convenience and simplicity of no rim, the rimless toilet makes for a significantly easier clean inside the pan. With a direct flush technique, the flush washes the entire pan more efficiently stopping the build-up of grime, bacteria and limescale that would be found in toilets with a rim. The concealed cistern means there is no space behind the pan or around the cistern for dust and grime to accumulate, making cleaning the exterior of the toilet a lot easier.

P Trap - 180mm

S Trap - 90-150mm P to S Trap converter (included)

See item image for specification information

\* inwall cisterns, valves, seats, button assembly, links, flush pipes and other internal components which carry a 3 year replacement warranty.

\*Please note that for ceramic products, specifications must allow +/- 10 mm tolerance for manufacturing variance, it is recommended to use measurements of the actual product received. Colours displayed online may appear different due to screen settings.

**Hygienic**  
Designed with a superior flush on the rimless bowl, effectively cleaning the entire surface to leave it free from any undesirable deposits of grime & bacteria.

**Quality Flushing**  
The inner surface of the bowl features a specially designed rimless bowl for more efficient flushing & reduced turbulence caused by accumulation of grime.

**Soft Close**  
It soft close seat ball after the seat is closed to prevent noise, minimize air splashing and reduce the noise caused by the friction of the seat to prevent staining.

**User Friendly**  
Designed with easy release system that allows the seat to be raised for easy use. The seat is also easy to clean and is made from a soft material for comfort. Designed to be easy to clean.

**Easy To Clean**  
The high gloss finish has been specifically formulated to resist dirt, staining, mould & odours. The smooth surface is easy to clean making a perfect looking toilet that lasts for years.

**Water Efficient**  
The soft and strong dual flush system provides control over the amount of water used in each flush to help reduce water usage while providing efficient performance.
