The Missouri is a stylish and impressive toilet suite. It features a streamlined design and is now in matte white finish that adds an extra layer of texture and sophistication to your bathroom. Now in a compact design, this toilet suite features a unique rimless design with a high end Geberit flush system for an easier to clean toilet. At the convenience and simplicity of no rim, the rimless toilet makes for a significantly easier clean. With a direct flush technique, the flush washes the entire pan more efficiently stopping the build-up of grime, bacteria and limescale that would be found in toilets with a rim.
