Upgrade your shower with this L-Shaped Pull Handle for a stylish look and enhanced ergonomic functionality.

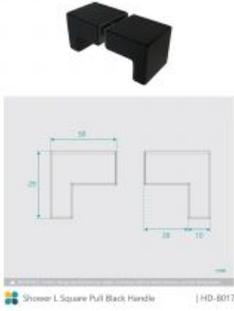

A practical and modern shower knob for your shower screen featuring a square L-shape design offering a comfortable finger pull grip, providing extra space for fingers to grip even when hand strength is limited. This black square easy-grip shower handle makes opening and closing the shower door easier, particularly for those with limited hand dexterity, such as the elderly.

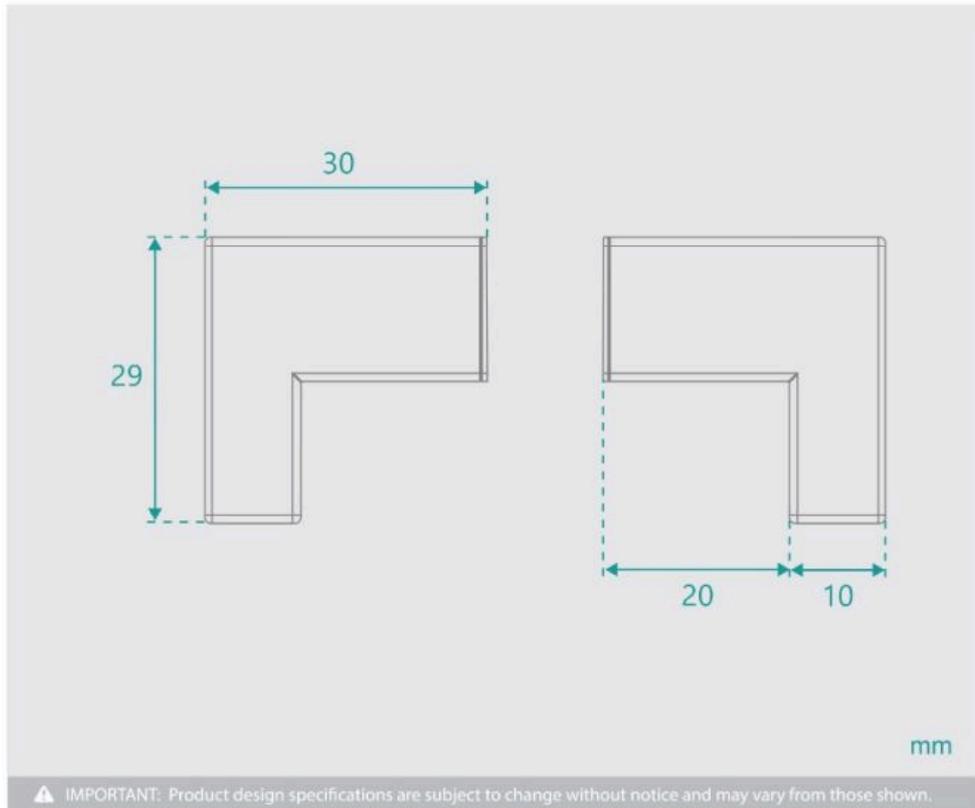

Unlike traditional rounded pull handles that require squeezing while pulling, this handle eliminates the need for a squeeze, allowing for a simple pulling motion.

Easy to install, this handle is adjustable and be installed to different glass door thicknesses, and set at different orientations.

The solid brass construction ensures this handle is both durable and practical, perfectly complementing any modern bathroom. Available in chrome or matte black, you can choose the finish that best suits your shower aesthetic.
