The SALINI Undermount Rangehood fits comfortably and discreetly into your cabinetry that will exhibit a minimalistic seamless clean look in your kitchen. With a timeless stainless steel finish, this rangehood is versatile that will suit your modern kitchen design. Having an extraction rate of 700m3/h, it effectively removes odours, smoke and fumes from your cooktop to always ensure a clean kitchen environment. The rangehood features 3 speeds and 2 LED downlights, providing you with full control and true convenience that will meet all your cooking needs.

Made of aluminium, the mesh filter is light and dishwasher safe that is easy and convenient to clean.

Also available in [900 width](#).
