For a modern look with a traditional design, you need to look no further than the matte black Harper 1500 Back to Wall Bath. Designed to be installed flush against the wall, this bath will ensure you have maximum room in your bathroom yet still benefit from the smooth lines and modern design of a freestanding bath. With a sophisticated and moody matte black finish, this bath brings elegance and contrast to your bathroom that is sure to create a wow effect. The modern twist on a back to wall bath means fewer surface areas to clean, and the corners provide a space to store soaps or bathroom products, all without compromising on style.
