The Piazza is a beautifully hand carved above counter basin, constructed from natural white marble and polished to a high sheen. Within the base of the Piazza is a marble panel to hide the waste, which due to its stylish design still allows the water to elegantly drain. The drain cover can be easily removed for cleaning. The waste is centred within the basin, and the drain cover is set off centre. This basin is the ultimate in luxury and style, sure to make an impression with its unique design and stunning polished marble finish.

**Natural marble is a material that must be cared for and suitability considered, please read full details [here](#).*

Waste and tap not included but can be purchased in our store alongside many other bathroom products, browse our store to find your complete look.

**For installation using pop up waste plug, un screw waste cap under marble cover. Pop up function can't be used with drain cover.*
