The Joslin fluted curve bathroom vanity in 750mm provides a compact size with a designer look. Constructed from moisture resistant plywood and veneer, this bathroom fluted vanity brings a calming and stylish design to your bathroom space. Featuring a unique exterior of clad in natural wood grain and LED sensory light that activates when opening large centre push draw.

Including two push to open side curve doors with internal shelves and small drawers available in the main draw face, no space is wasted in this deluxe vanity that will assist with your everyday bathroom needs. Complete the vanity by selecting from our range benchtop options in range of classic and unique finishes.

*Please note that stone samples may differ from the actual product due to natural variations and batch differences. Colours displayed online may appear different due to screen settings. Standard stone benchtops are supplied without holes, allowing for installation flexibility. Custom stone benchtop orders will be dispatched within 15 business days.
