The Kendall basin is deceptively petite, the round design has a flat base, maximising the water it holds. The thin profile adds to the delicate shape, for a beautiful and luxurious bathroom basin.

TIP: Why not buy 2 basins and make your bathroom comfortable for you both in the morning? Create the "his & hers" luxury look for less.

Waste and tap not included but can be purchased in our store alongside other bathroom products.

**Please note that for ceramic products, specifications must allow +/- 10 mm tolerance for manufacturing variance, it is recommended to use measurements of the actual product received. Colours displayed online may appear different due to screen settings.*
