Illuminate your bathroom with our adjustable brightness 900mm LED mirror shaving cabinet.

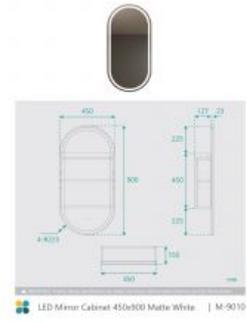

The LED mirror comes in a matte white finish cabinet with adjustable shelves. The unique pill shape makes this mirror cabinet ultra-chic and trendy, which is sure to make a statement in your bathroom. Your LED Mirror will not only light up your space but add convenience to your morning/night routine.

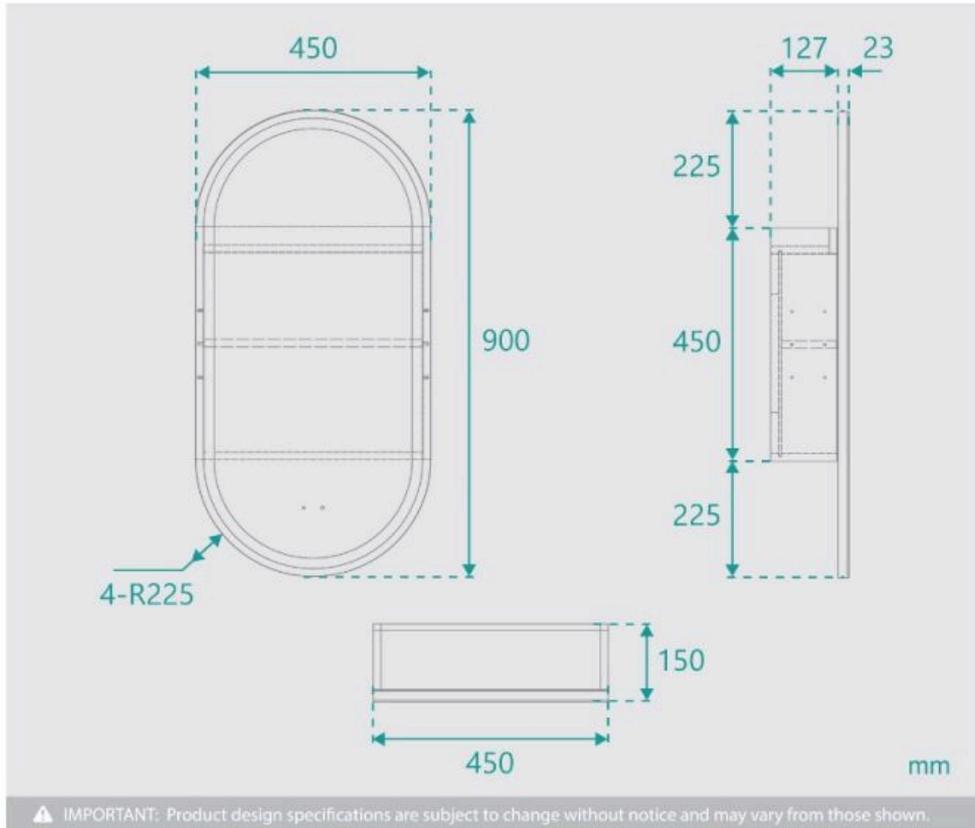

Other features include 6000K LED light which is the optimal brightness for face illumination as it best replicates natural daylight.

Complete the look with our [Joslin fluted curved vanity range](#).

**Electrical installation must only be attempted by a licensed electrician.
