**Selecting different options may change these dimensions, please refer to the specification images.*

Our standard stone and timber benchtops can be used for a variety of applications, perhaps you are looking to revamp your vanity top, kitchenette area, or an alternative desired area requiring a new countertop surface.

Choose from our selection of predrilled options, including basin waste or tap hole options, to suit your vanity configuration. Some bathroom vanities may require bench or wall tapware therefore no hole benchtops are always an adaptable option. Discover a wide range of benchtop colour finishes in our durable standard stone options. Or choose a solid timber top for pure indulgence with its personality and warmth, the hardwood is coated with a satin finish to accentuate the wood grain also sealing it to provide some protection.

Please note that stone and timber samples may differ from the actual product due to natural variations and batch differences. Colours displayed online may appear different due to screen settings. Standard stone and timber benchtops are supplied without holes, allowing for installation flexibility unless you choose to add tap and waste hole options to your order when selecting your benchtop*

***This service is exclusively available with Fontaine's benchtop products only. If your benchtop is in stock, the lead time for this service is 5 business days, please add an additional 5 business days to the estimated arrival date (ETA) for out of stock products. We will provide general recommendations for standard tap hole and waste positions to ensure compatibility with your vanity. Custom positions can be accommodated; however, please be aware that the buyer will be responsible for any discrepancies, as Fontaine cannot be held liable for issues arising from custom placements. A template will be provided for your approval before we proceed with the hole cutting process. Once approved, the cutting positions will be final. This service is classified as a special order, Fontaine cannot accept returns or refunds for any benchtop services or products once the templates have been approved and signed off.*
