Add sophistication and style to your kitchen with the Salini Touch Control Canopy Rangehood. The streamlined look combines stainless steel and black glass, creating a striking visual impact in your space. The LED display and touch controls found on the front panels are illuminated in white for a sophisticated, high end feel. The hood features 3 speeds for optimum control and twin LED lights for comfortable cooking. This rangehood also has an adjustable flute to ensure you can install the rangehood at the height you require.

The mesh filter is dishwasher safe for easy and convenient cleaning.
