The Salini Double Oven allows for cooking of multiple foods simultaneously, with a 36L top oven and a 60L bottom oven, you can cook a roast and bake a cake at the same time.

Sporting the Salini signature look, the oven is black glass and chrome with an elegant white LED display programmer. The 13 functions include conventional and fan forced cooking options, as well defrost, grill and pizza modes.

The oven also has a timer as well as an end cook function, allowing you to set the time the oven will turn off. For additional safety, the oven includes child lock, and has a triple glazed doors which also provides insulation for better energy efficiency.

*Due to the size of the oven, this model cannot be installed under a bench.
