This modern square swivel wall spout & mixer set makes for a practical and beautiful upgrade for your sink. The straight lines, geometric shapes and single mixer present a perfect minimalistic asymmetrical aesthetic that will bring dynamic to your modern bathroom or kitchen design. Featuring a thick and luxury solid brass construction, this set is sturdy and reliable. The large swivel spout would be ideal over a larger sink and can be moved to the side to easily access the whole sink, making this an excellent option for kitchen, laundry or basin sinks. The single mixer configuration is flexible that can be installed on either side of the spout and easily pulled to use by one hand.
