The sophisticated matte black finish accentuates the straight lines and geometric details that make for a minimalist look. With a single mixer, this set presents a perfect asymmetrical aesthetic that will bring dynamic and interest to your modern bathroom or kitchen design. Featuring a thick and luxury solid brass construction, this set is sturdy and reliable. The large swivel spout would be ideal over a larger sink and can be moved to the side to easily access the whole sink, making this an excellent option for kitchen, laundry or basin sinks. The single mixer configuration is flexible that can be installed on either side of the spout and easily pulled to use by one hand.
