This matte black rail with handheld shower head provides an excellent and easy way to clean. With added convenience, the handheld showerhead holder slides up and down to your preferred position. The thin square shower head is an ergonomic design that is easy to hold and use. The Sebastian range showcases a beautiful square design that is contemporary yet timeless. With a sophisticated matte black finish, this shower rail and head set will give your bathroom the luxurious hotel feeling you've been looking for.

Match with the [wall mixer](#) of your choice, see our [store](#) for options.

See listing image for measurement specification.
