Our 40mm bathtub and basin waste pop-up and pull-out style is a drain and plug all in one. It includes an overflow feature and is available in a range of five different finishes including chrome, brushed gold, brushed nickel, matte black and gun metal. Constructed from brass with AU standard and watermark accreditation.

This bathtub pop up waste presents an overflow for the bathtubs with an overflow outlet, allowing to hold and rinse water within your bath.

View our store to find a vanity unit, mirror, basin or tap for your bathroom and save on combined delivery.

\*Some baths may have an overflow feature but still require a waste without an overflow. In these cases, the overflow is a separate component connected afterward. Always verify the correct waste type required before completing your purchase.
