The Paloma statement vanity is modern and geometric making it a beautifully unified piece for your bathroom. The premium Oak hardwood has been stained to achieve this classic Jacobean colour. This vanity has excellent design and craftsmanship with blum runners and mitred edges. It is sleek and opens easily with push to open the drawers. Its unique design allows for a great way to display your towels or face washers on the shelf which makes it very easy to access a towel or face washer if you are in a rush or just want to use them for decoration. You won't find anything like this anywhere else at such a brilliant price! Tap and waste fittings shown in the photos are for illustration purposes only and are sold separately, add them to your order to complete your look.

All timber vanities are fully assembled, finished and ready to install. For more information click [here](#).

Timber samples shown may vary from the actual product as each unit will have its own natural characteristics. Natural variations must be expected in timber. Please also note that your monitor may display colour differently. No holes are drilled in timber tops for greater installation flexibility.
