The Hawking wall mounted ceramic basin is a sleek and stylish piece to add to your bathroom. The unique overflow outlet makes this basin look and feel expensive. Its clean and modern design will easily pair with your bathroom design. The offset basin allows for an extra benchtop space to store essentials or decor. The compact nature of this all-in-one basin makes it a practical addition to your space. The basin can be installed to comply with AS1428.1 and used as a care basin for residential and commercial properties.

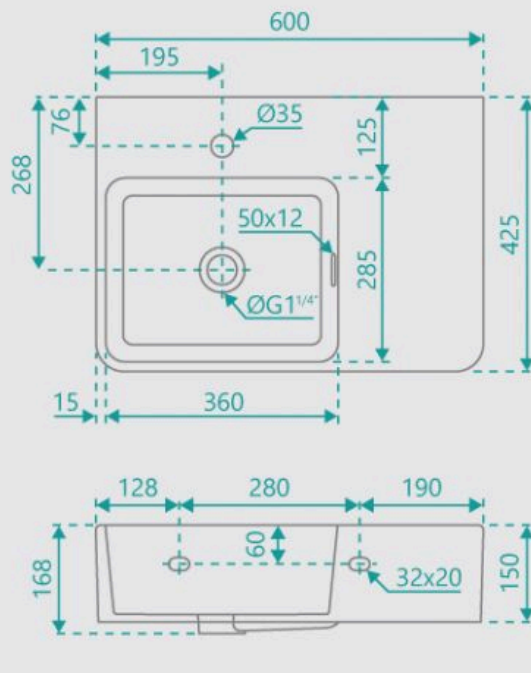

Tap and waste are sold separately, view recommendations when you add this item to your cart.

NOTE: This basin is a left hand side (LHS), meaning your mixer must be installed on the left. For (RHS) see [alternative model](#).

NOTE: This product is accessible or ambulant compliant when installed in accordance with AS 1428.1 installation guidelines.

**Please note that for ceramic products, specifications must allow +/- 10 mm tolerance for manufacturing variance, it is recommended to use measurements of the actual product received. Colours displayed online may appear different due to screen settings.*

⚠ IMPORTANT: Product design specifications are subject to change without notice and may vary from those shown.
