The Nile 400 panel shower screen is ideal for using with another shower panel to make it into a walk in shower. This extra thick glass screen has been designed with minimal clips to secure this screen into place yet still providing the desired finish. The Nile panel shower screen is an excellent alternative for the bathroom, this glass screen is provided with a channel to give your bathroom the minimal streamlined modern look. The Nile shower panel will be an easy to clean and a modern addition to your bathroom also giving the 5 star hotel feeling in your own home also at an affordable price. The frameless screen panel provides you with a clear, unobstructed, ultra modern look. Made from 10mm toughened glass your shower not only has a clean finish, but is a good alternative to installing a complete enclosure. Also available various other sizes for the perfect fit in your bathroom or ensuite.

Shower fittings shown in the photos are for illustration purposes only and are sold separately, add them to your order to complete your look.
