

Round Stainless Steel Waste Chute with Lid

SKU#: A-4101

\$199.00

Diameter: 180mm

Height: 80mm

Construction: 304 Stainless Steel

Finish: Satin

Warranty: 5 Year Product Warranty

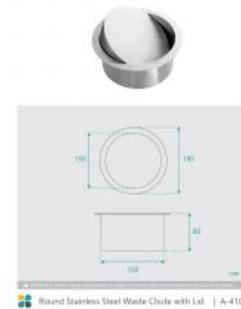

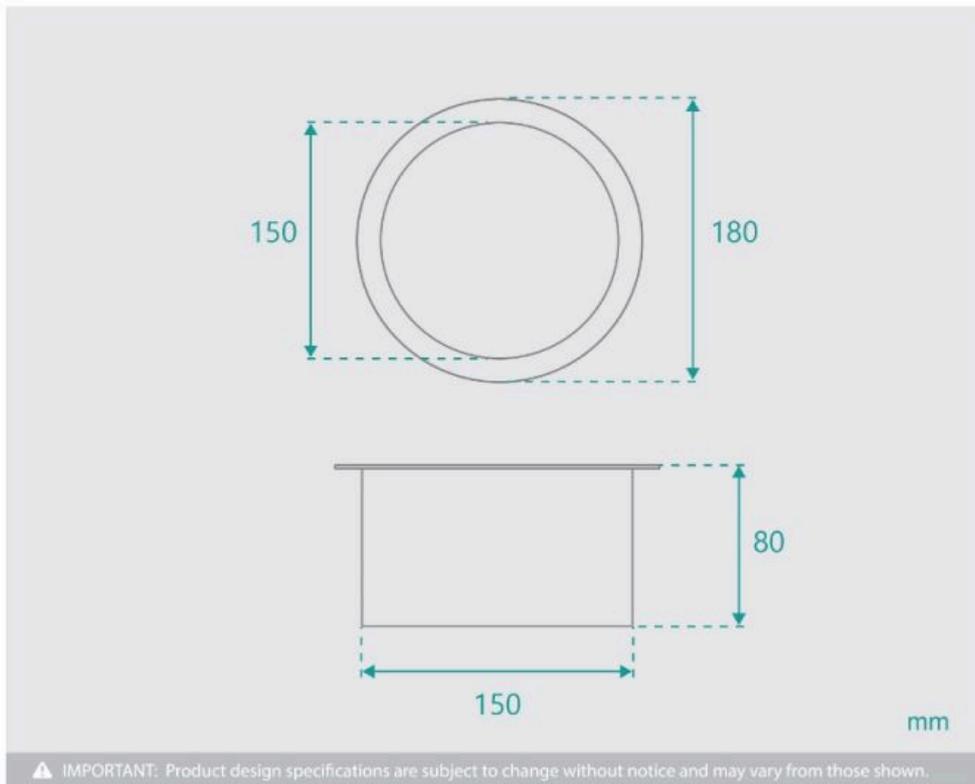

Install this round stainless steel waste chute into your counter top for a clean and aesthetic waste disposal system.

This chute can be installed above a bin area for quick access to disposing waste or rubbish.

An excellent alternative to a sanitary option of disposing wastes in high functioning commercial spaces such as restroom paper towels, or a childcare counter chute for nappy changing.

The rubbish chute features a heavy duty stainless steel swinging lid for easy function, and is self levelling for efficient use.
