Increase your bathroom safety and support with our new stainless L steel grab rail in a 600mm size.

A great addition to your NDIS bathroom, this shower grab rail is perfect for providing mobility support around the home.

The assisted support grab rail can be wall mounted installed to your bathroom or shower space and can secure up to 150kg of weight.

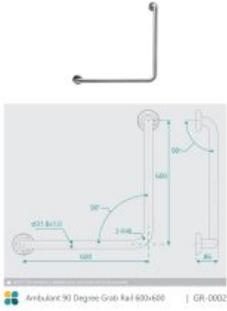

Providing the option of being installed left or right facing and in accordance with the AS1428.1 guidelines.

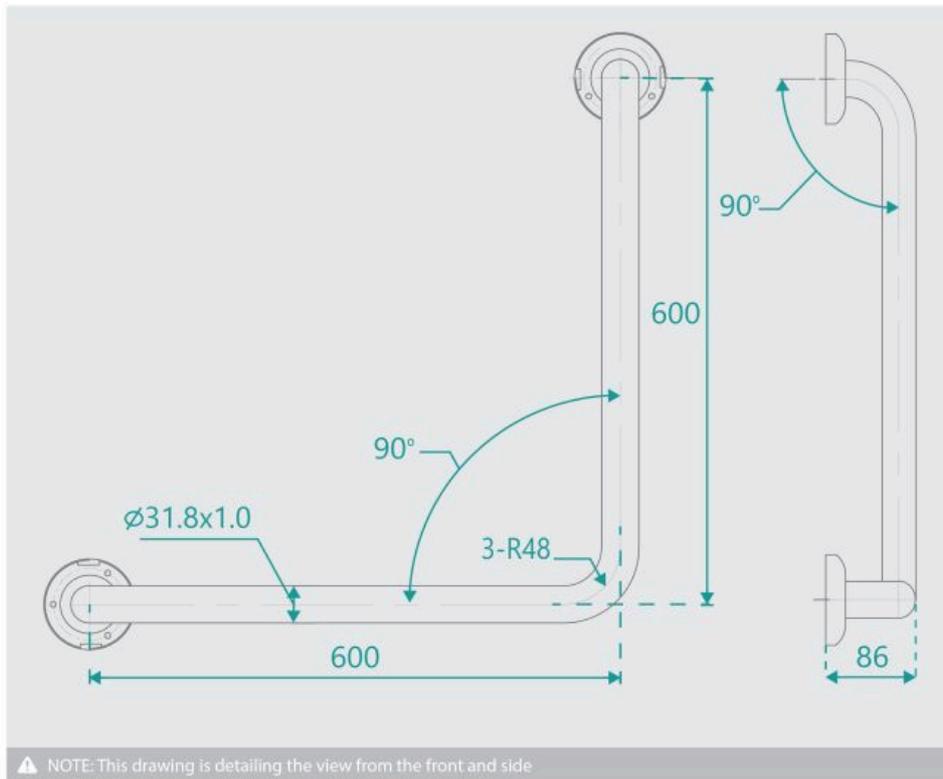

Constructed from stainless steel with a satin finish for an ergonomic grip, and design to suit most bathroom styles.

The L shape grab rail features a round tube with an ergonomic diameter, ensuring a secure grip and ample hand clearance between the rail and the wall.

Wall mount screws and brackets included.
